

Date:

Vessel Name & Vessel Official No:

Owner & Address:

Emergency Contact:

Vessel Delivery Letter of Agreement:

- **The vessel** _____ will be delivered to _____, __ from _____, __ via the deep draft inside passage and near shore coastal routes through Southeast Alaska and British Columbia and Washington State. The vessel delivery is scheduled between _____ and _____, 20__.
- **Insurance:** For the duration of the delivery voyage, the vessel owner(s) will hold protection and indemnity, hull and collision, and pollution liability insurance coverage for the waters transited.
- **Indemnity:** The vessel owner(s) will indemnify and hold harmless Pacific NW Coastal, the vessel operator and crew for any and all damages and loses to the vessel and its contents.
- **Voyage Termination:** The voyage will terminate at the destination port. If the delivery voyage is terminated early due to mechanical, structural or other vessel failure(s), the delivery crew will exercise its best judgment as to safely and securely harboring the vessel and, in consultation with the vessel owner(s), arrange for the appropriated repairs.
- **Vessel Expenses:** The vessel owner(s) will pay, in advance, the estimated costs of 1) all vessel related preparation and operating expenses necessary for safe passage of the vessel, and 2) the vessel crew return air fare and excessive baggage fees. See attached: Estimated Vessel Delivery Expenses.
- **Delivery Fees:**
 - **Underway days:** The vessel owner will pay PNW Coastal a daily rate of \$____.____ while the vessel is underway, not to exceed \$____, ____.
 - **Lay days:** The vessel owner will pay PNW Coastal a daily rate of \$____.____ for lay-days (not underway due to weather, mechanical failures, etc.).
- **Attachments:**
 - Vessel Documentation
 - Vessel Insurance
 - Estimated Vessel Delivery Expenses
 - General Vessel Delivery Checklist

Vessel Owner(s)

Robert W. Frampton, Capt.

Pacific NW Coastal
